

People Make Places - Lane Cove

We are currently creating *People Make Places*, a project which brings people together to consider their own sense of place and celebrate and deepen mutual understanding of diverse rural and urban regions across the globe. To date more than 2,500 people from Melbourne, Sydney, Deniliquin, Mosman, Shanghai, Venice, London, Berlin, Edinburgh, Dubai, Adelaide, Cannes, Amsterdam and Paris are taking part. They have all created miniature matchbox impressions of what they wish to share with the world about where they live.

Lane Cove Council is proudly partnering with us as part of its Love Where You Live campaign. We warmly invite everyone living, working and/or studying in the area to create something responding to Lane Cove for one of our Match Box Projects boxes. It can be anything that represents your Lane Cove - from an image to an object, a piece of writing, something made or something found - as long as it fits inside the box (and complies with our instructions to enable us to travel with your creation through international customs).

All are welcome to follow *People Make Places* via our website, facebook, instagram and/or by joining our e-register.

Looking forward to seeing you and your impression of Lane Cove soon.

1. Create something you wish to share with the world about Lane Cove for one of our boxes.

NOTE: If you have yet to receive a box, prepare something to glue inside one - dimensions are on above photo. Boxes can be collected from us during various pop-ups we will have in Lane Cove Plaza throughout August to October.

- Create your work in landscape format - it will be displayed horizontally
- Use materials that are safe to travel through airport customs eg no liquid, sharp objects, food, flora, fauna etc
- The work is to be glued inside the box. Do not include small fragments that tend to become unglued eg no glitter/sand
- Your work will be presented in public spaces, therefore must be appropriate for all ages to view
- Only create something for inside the box. Please do not colour, create or stick anything on the outside of the box

2. On the back of your box write your.

- Full Name
- Mobile phone number (if no mobile, home phone no)
- E-mail address
- Where & when you received your box
- Title of your work
- Please leave enough space for us to write the time and date you return your box

NB: please provide us with contact e-mails/mobile numbers you expect to have for at least 5 years. See 7

3. Lane Cove Delivery Points (dates will be uploaded to our blog)

When you have completed your Lane Cove work please contact us (see 8). We will set a time to meet or invite you to one of our pop-ups in Lane Cove Plaza from August to October. Pop-up dates will also be uploaded to our blog.

4. Photography (Match Box Projects: People Make Places - Lane Cove examples below)

When delivering your work we would like to take a photograph of your hands with your creation (as in above photos). Please allow ample time to drop your matchbox off, as there maybe others waiting to be photographed too.

5. Voice Recording

When you deliver your matchbox we would greatly appreciate it if we could record your voice. This will allow the visually impaired to "see your box" and enable others to gain a further insight into your impression of Lane Cove. The recording will include the title of your box, a detailed description of what you have put inside it and why (20-90 seconds).

6. Copyright

When delivering your matchbox to us, it becomes a permanent contribution to our portrait series as part of *People Make Places* and you will be automatically assigning copyright of same onto us (Leanne Shedlezki & Naomi Shedlezki aka Match Box Projects). This will allow us to share it with the world and permit us to exhibit, photograph, video, publish and present it in public/private exhibitions, in press, in print, in video/multimedia works/catalogues, on our website/blog etc. Lane Cove Council will also be provided with the photograph of your matchbox along with the box details and voice recording for use at its discretion to celebrate *People Make Places* and *Love Where You Live Lane Cove*

7. bARTer/ Exchange Gift

Please keep the cover of the box in a safe place. On completion of our Places Series we will contact you to present you with an exchange/bARTer gift to go inside your original cover.
